On April 22, 2021, the United States Supreme Court issued *AMG Capital Management, LLC, et al. v. Federal Trade Commission*, 141 S. Ct. 1341 (2021), holding that Section 13(b) of the Federal Trade Commission Act does not authorize a court to award equitable monetary relief. This decision overturns the previously controlling Tenth Circuit decisions in *FTC v. Freecom Communications, Inc.*, 401 F.3d 1192 (10th Cir. 2005), and *FTC v. LoanPointe, LLC*, 525 F. App'x 696, 699 (10th Cir. 2013). The court requests the parties to the above-captioned cases to submit briefing by May 28, 2021, discussing how the *AMG* ruling impacts and applies to their respective case(s).

DATED this 6th day of May, 2021.

BY THE COURT

DALE A. KIMBALL
United States District Judge
